LRC staff are available to help you plan and implement assignments and lessons that incorporate all aspects of the National Curriculum and develop the information skills necessary for students to succeed in a constantly changing world.

Please contact the LRC to arrange the following services:

- Research strategy classes (available in Years 5 & 6 DOTT)
- Inquiry process classes (available in Years 5 & 6 DOTT)
- One-to-one student assistance with academic resource research and literature selection (eg Year 12 selection of expository texts)
- Genre overviews and promotion (eg science fiction)
- New resource introduction
- Scaffolding assignments across the curriculum in Middle and Senior Years (eg Year 7 Science Energy Task, Year 9 Macro Economics task)
- Complementary displays for academic subjects (eg election display)
LRC staff are committed to providing access to quality literature and information resources in a range of formats that cater for different learning and teaching styles. Our collection includes:

- Print and digital resources aligned to the National Curriculum
- Relevant and engaging literature
- Multi-modal resources - print books and magazines, ebooks (arriving soon), audiobooks, audio-visual resources, online databases
- Clickview - a database of educational videos. Programs can be taped on request.
- Range of levels of reading materials - extension to remedial
- Closed reserve can be utilised to create a specific collection for a particular task (eg natural disasters)
Additional Services

LRC staff strive to create and foster an environment of learning and enjoyment where all students feel welcome. Additional services we provide to the College Community include:

- Lunchtime leisure activities - puzzles, games, journaling, reading, a space to ‘be’
- Individual study spaces
- Flexible whole class work areas
- Access to a new digital learning space via our soon-to-be-launched website
- Literacy and reading promotion
- Guest authors - writing workshops, authorial process workshops
- Study assistance
- Reading recommendations
- Book clubs (co-curricular activities)
